Dear Corporate Partner,

It is our pleasure to invite you to exhibit at our **Annual Neuroscience Nursing Symposium** hosted at the Houston Methodist Research Institute on October 1, 2024. On behalf of Houston Methodist Neurological Institute and the Center for Nursing Research, Education, and Practice, we graciously extend the opportunity for you to join us as an exhibitor and/or sponsor for this one-day event.

This hybrid symposium will provide a forum to explore the latest in neurosurgical and neurological nursing. We will present evidence based practices to improve patient outcomes and enhance the knowledge of the bedside neuroscience nurse.

We estimate that this annual conference will attract approximately 100 – 150 in-person and virtual attendees - all potential customers of your products and services.

I encourage you to take full advantage of this excellent opportunity to network with your target market as an exhibitor. Exhibiting companies will have the opportunity to share their educational materials and interact with participants.

Due to our limited number of exhibit openings, we hope you will take this opportunity and contact us now to register. Sponsorships are also available for purchase.

Please feel free to contact Nursingevents@houstonmethodist.org if you have any questions or need additional information.

Sincerely,

Katie Broadway, MSN, RN, CNRN, SCRN
