

HOUSTON METHODIST RESEARCH INSTITUTE

4th Annual Cardiovascular Nursing Conference: Matters of the Heart, Leading the Way

FRIDAY, NOVEMBER 6, 2026

12:30 p.m. – 4:00 p.m.

LOCATION:

Houston Methodist Research Institute
6670 Bertner Ave
Houston, TX 77030

- The Bookout Center Auditorium (R2)
- MITIE Simulation Facility (R5)

OBJECTIVE:

This conference will feature a diverse lineup of expert lectures and speakers covering a broad range of timely and relevant topics in cardiovascular nursing and critical care. Offered in a hybrid format, attendees may participate either in person or virtually, providing convenient access to all of the conference's innovative educational content.

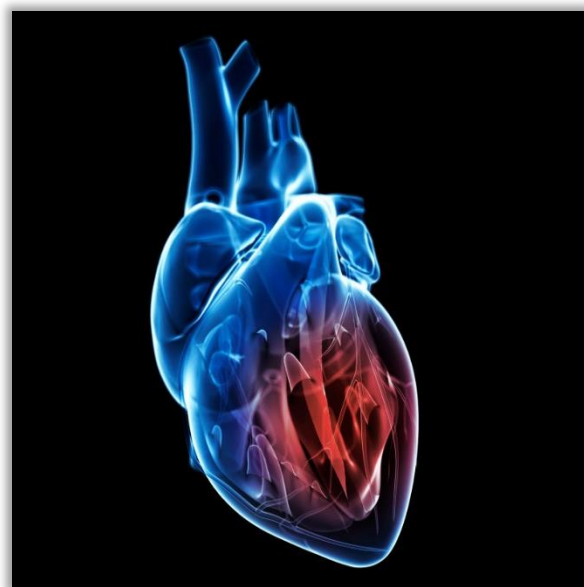

The afternoon workshops will offer hands-on in-person training designed to strengthen practical skills that can be immediately applied in everyday critical care practice. By popular demand, the conference will once again feature the interactive *Tour Through the Heart* dissection workshop, along with additional simulation-based training sessions held at the Houston Methodist Institute for Technology, Innovation & Education (MITIE) simulation facility.

The educational objectives are as follows:

- A. Tour Through the Heart
- B. Unveiling the Patient Behind the ECMO
- C. Robotics
- D. ACHD
- E. VADs / CALs

TARGET AUDIENCE:

This course is designated for Nurse practitioners, nurses, other allied health personnel and student observers.
